

Respect in Sport

Instructions on how add a sport to your profile

Go to coaching Manitoba website – www.coachingmanitoba.ca

On the grey banner along to the top of the page hover your cursor over the Respect in Sport and click on these words.

On the Respect in Sport page click on the black icon (Two people running)

This will bring you into the program

Click on the language you will use

Scroll to the bottom of the page and click the blue box

Enter you username and password and click on Login

At the top of the page select Profile

Your profile will appear

Scroll to the bottom and click on “Show access group”

A list of all the sports will appear

Scroll down the list until you come to the association you belong to and click in the box next to it

Scroll to the bottom of the page and click on “Update”

When the update is completed it will go back to your profile and you can log out

NOTE:

If you do not remember your user name or password please contact your sport organization for assistance.
