D-1 BASKETBALL AND VOLLEYBALL CAMPS

The mainstay of the Wesmen camps for over 40 years. These camps provide excellent instruction in their respective sports, by qualified coaches at a low player to coach ratio. They are tailored to each age group so everyone can have fun and improve their skills. There are half day and full-day camps and many of the half-day camps can be combined with other sports to make them full-day camps. All campers receive both a camp t-shirt and basketball or volleyball. The Elite Camps are designed for dedicated athletes looking to take their game to the next level.

D-2 GIRLS VOLLEYBALL HITT CAMP

After a highly successful debut last summer, the HITT Camp is back for another year. This camp is similar to other high end specialty camps in that it has a technical curriculum for volleyball players. H.I.T.T. delivers intentional High Impact Technical Training for all volleyball skills (forearm passing, overhand passing, hitting/attacking, blocking, serving, defense) specifically geared toward the female game. These instructions will be delivered and facilitated by expert coaches in all phases of the game including sport psych, nutritional health, physical training and a beach component.

D-3 STEVE NASH YOUTH BASKETBALL AND MULTI-SPORT ALL-DAY CAMP

A half-day of fun in basketball with the new Steve Nash and Canada Basketball curriculum and the other half day will consist of a variety of sports including volleyball and racquet sports, 8:30 am-4:30 pm, boys and girls grades 1-5 or 6-9. Campers receive the same camp t-shirts and balls as regular camps but as well receive a Steve Nash package that includes a reversible practice jersey, basketball, poster and certificate.

D-4 BASKETBALL SHOOTING CAMPS

Become a better shooter by using video, "breakdown" drills, and individualized instruction for boys and girls grades 6 to 12.

D-5 BASEBALL CAMPS

The Wesmen are pleased to offer Summer Baseball Camps for children in grades 1-6. Whether your child is brand new to the sport or is looking to improve his/her skills, we encourage your child to take part in the Wesmen Summer Baseball Camp. All sessions will be led by Wesmen Baseball head coach Mike Krykewich and members of the Wesmen Baseball team along with input from guest coaches.

D-6 WRESTLING CAMPS

A new addition to the Wesmen Sports Camps lineup. Individuals will learn the rules and basic wrestling skills as well as take part in combative games that will introduce them to the sport in a safe and

enjoyable atmosphere. This camp helps participants understand the basics of the sport (eg) falling, lifting and simple turning and take-down techniques. Wrestlers of all skill levels are encouraged to participate in these sessions. Campers will receive first class instruction from Wesmen Wrestling head coach Adrian Bruce, members of the Wesmen Wrestling Program and guest coaches.

D-7 BOYS AND GIRLS MINI KICKERS SOCCER CAMP

A camp for beginners and mini kickers in grades 1 to 5. The emphasis is on fun and enjoyment. It is an excellent opportunity to give your budding star an introduction to the world's most popular game. There will be a chance to learn the drills and techniques required, getting maximum touch on the ball and the complete range of basic skills from kicking, running with the ball, dribbling, turning, shooting and heading.

D-8 INTERMEDIATE SOCCER CAMP

A camp for grades 3-7 with a desire to participate in soccer a little more seriously. These half day camps contain an element of testing and evaluation so that players and parents can determine the level that a player is at and areas to work on. This camp combines fun and games with skill and competition.

D-9 EDUCATIONAL SOCCER CAMP

Players registering for this camp will have already reached recreational or premier levels and have a sound basic knowledge of how to train. The element of fun is still foremost but campers should have the desire to be challenged and improve in a serious soccer environment.

D-10 ELITE SOCCER CAMP

This camp is for the Elite player who is looking for a strict training program. Sessions will consist of phases of play, technical and tactical awareness. Fitness testing will be conducted, including training recommendations at the end of the camp.

D-11 ELITE/INTERNATIONAL SOCCER CAMP

Soccer highlight week of the summer featuring a guest coach. This camp will be for players in grades 7-12 with an advanced level of technique and fitness. Confidence to match ability is essential, along with a desire to learn the finer points of training to play.

D-12 MULTI-SPORT ALL-DAY CAMP

Instruction and fun in basketball, volleyball, soccer, racquet sports, swimming and a variety of others sports, 8:30 am to 4:30 pm, boys and girls grades 5-9.
