

2025 Canada Summer Games Athlete Selection Process - Indoor

The athlete selection process for the 2025 Canada Summer Games Indoor Teams will adhere strictly to the **Team Manitoba Athlete Selection Policy**, which outlines a clear three-step process to ensure athlete identification and selection is conducted in a fair and inclusive manner. Below are the steps from our Team Manitoba Selection Policy that Volleyball Manitoba will implement to select athletes for the 2025 Canada Summer Games indoor teams:

- **Step 1: Athlete Identification**
 - Interested players will complete the Canada Games - Team Manitoba Athlete Identification Form for their chosen program. The intention of the form is to create a list of interested players to be considered for the final selection camp.
 - The Team Manitoba Athlete Identification Forms will be reviewed by:
 - Volleyball Manitoba Technical Director & Performance Coach
 - Canada Summer Games Head & Assistant Coaches of the respective age group.
 - The forms will be available from November 1st – December 1st, 2024.
 - Canada Games Coaches will be actively scouting at 2024 high school volleyball events and 2025 club volleyball events to further expand their knowledge on eligible players.
 - Review of the forms will take place throughout December 2025.
 - Once the forms are reviewed, athletes may be invited to Canada Games Training Camps (invite only) throughout the months leading up to the final selection camp. These training camps are meant for the coaches to be able to see the progress athletes are making throughout the year and observe how these athletes can work together. This helps the coaches understand the athletes who they would like to invite to the final selection camps.

- **Step 2: Selection Camp Invitation**

- Following the review of the Athlete Identification forms, scouting during the school/club season & Canada Games Training Camps, players will be invited to attend the Canada Games - Team Manitoba selection camp at the date and location set by Volleyball Manitoba.
 - This selection camp will take place after the 2025 Club Nationals events. In late May/early June. Final dates TBA.
- It is the intention of Volleyball Manitoba to provide as many athletes as possible with the opportunity to compete for a position with a Canada Games - Team Manitoba program.
- **Step 3: Final Selection**
 - At the conclusion of the selection camp, athlete selection will be made by the head and assistant coaches in cooperation with the Provincial Performance Coach, Provincial Performance Committee Members, and independent third parties. Player selections will be reviewed to ensure that:
 - There are no club/team biases in the selection made by the coaches
 - All selections are based on the Team Manitoba Selection Criteria (A detailed explanation of the criteria listed below can be found in the [Team Manitoba Athlete Selection Policy](#)).
 - Physical Assessment
 - Skill Assessment
 - Tactical Assessment
 - Behavioral Assessment
 - Potential to develop
 - The selections are aligned with the primary focus of the respective Canada Games - Team Manitoba program
 - The Chair of the Provincial Performance Committee will be informed of the final selections prior to the players being notified by Volleyball Manitoba.
