Volleyball Manitoba (VM) is the governing body for the sport of volleyball in the province of Manitoba. Incorporated in 1977 as a non-profit association, VM services the needs of its members, which include athletes (high performance, developmental and recreational), coaches, officials, and anyone who loves the sport of volleyball.

MISSION

To lead and support the growth and excellence of volleyball in Manitoba.

VISION

Working respectfully together, excelling in a safe and inclusive environment.

VALUES

Collaboration: We build relationships and work together to support the volleyball community.

Integrity: We are accountable through honesty, fairness, and transparency.

Inclusion: We commit to accessible, safe, and welcoming spaces.

President's Message

2025 Annual Report and Annual General Meeting

This past year has been one of growth for Volleyball Manitoba, positioning us to continue excelling in our mission of leading and supporting the development of volleyball in our province. The dedication and hard work of our staff, board members, and volunteers have been instrumental in helping us reach new heights.

Volleyball in Manitoba is experiencing remarkable momentum, with participation increasing across a wide range of programs:

- 272 club teams participated in Provincials, up from 239 in 2024.
- 279 beach teams competed in the Beach League, compared to 232 in 2024.
- 341 participants joined the Community Youth Winter Program, a notable increase from 325 in 2024. From September 2024 to August 31, 2025, the program welcomed 628 participants in total.

These numbers reflect not only the growing enthusiasm for volleyball in our community but also the commitment of our members, coaches, and volunteers who continue to invest in the sport and its development.

Through our partnership with the Manitoba Aboriginal Sports & Recreation Council, we had the opportunity to bring the Indigenous Community Youth Volleyball Program to Saint Therese Point in November 2024, introducing the sport to local children and potential coaches in a remote community.

In partnership with the Manitoba Volleyball Officials Association (MVOA), Volleyball Manitoba coordinated efforts to support referee development in rural communities. Over the past year, we delivered referee clinics by sending a trained facilitator directly into communities, providing local officials with valuable training and certification opportunities. This work strengthens officiating capacity across the province and supports the long-term sustainability of the sport. Additionally, we supported a Manitoba referee in traveling to Halifax to attend the Volleyball Canada National Theory Clinic, further contributing to the development of high-level officiating in our province.

This year also brought challenges. Most notably, Volleyball Manitoba received a \$107,000 fee from Volleyball Canada through the Office of the Sport Integrity Commissioner for Safe Sport investigations referred their way. This unexpected and significant expense underscored the need to better educate our members on appropriate behavior, clarify the difference between a Safe Sport complaint and a general concern, and reaffirm that all complaints are taken seriously. With guidance from Volleyball Canada, we have implemented a new reporting system and engaged a new investigator to ensure both accountability and financial sustainability moving forward.

In May 2025, we proudly hosted the 14U National Volleyball Championships in Winnipeg—our largest event to date. The tournament welcomed 144 teams competing across 19 courts and was executed with great success thanks to the tireless efforts of our staff. While the event highlighted the passion and talent of volleyball in Manitoba, it also revealed challenges related to venue availability, the high cost of renting space at the RBC Convention Centre, and limited government support. These factors will make hosting a championship of this scale difficult in the future, but we can be proud of how we represented both Winnipeg and Volleyball Manitoba on the national stage.

Congratulations to our Canada Games teams who proudly represented Manitoba this past summer. On the beach side, our men's team finished 4th and our women's team 6th. Indoors, our men's team captured the silver medal while our women's team earned a strong 4th place finish.

As I reflect on this year, I want to sincerely thank the staff of Volleyball Manitoba for their tireless efforts and countless hours behind the scenes—your commitment does not go unnoticed. I am equally grateful to the Volleyball Manitoba Board and committee members who generously volunteer their time and expertise to strengthen and grow our sport. Your dedication is deeply valued and appreciated.

Respectfully submitted,
Kevin Neufeld

CLUB VOLLEYBALL 2025

This past season again saw several new clubs and another notable increase in our number of teams, continuing a trend of growth over the past several years.

Volleyball Canada has lowered the certification threshold to coach at 17U and 18U, which immediately translated to more teams this past season at our 17U categories for both Boys and Girls. We're expecting a similar bump in team numbers at 18U for the 2025/26 season.

Along with the growth in number of teams, the number of coaches continues to rise. This requires additional time and resources committed to coach screening and certification review. Thanks in large part to significant staff efforts we did reach 100% screening compliance among coaches at Provincial Championships.

2025 Volleyball Manitoba Premier Tournaments

Volleyball Manitoba delivered seventeen Premier Tournaments in February and March this season. These events help in providing consistent competition opportunities as well as support and enforce the provincial ranking process along with other sanctioned tournaments that are organized by clubs around the province.

The Premier Tournament schedule for 2025 included the following:

January 31st / February 1st	18U Boys @ Sport Manitoba	9 Teams
	17 U Girls @ Dakota Community Centre	22 Teams
February 7th / 8th	18U Girls @ Dakota Community Centre	16 Teams
	17U Boys @ Sport Manitoba	11 Teams
February 21st / 22nd	16U Girls @ Dakota Community Centre	24 Teams
	16U Boys @ Niverville CRRC & Middle School	14 Teams
February 22nd / 23rd	15U Boys @! Niverville CRRC & High School	16 Teams
February 28th / March 1st	15U Girls @ Dakota Community Centre	24 Teams
March 1st / 2nd	14U Boys @ Niverville CRRC	16 Teams
March 7th / 8th	18U Boys @ Sport Manitoba	10 Teams
	14U Girls @ Dakota Community Centre	24 Teams
March 14th / 15th	13U Girls @ Dakota Community Centre	22 Teams
March 15th / 16th	13U Boys @ Clearspring Middle School	8 Teams
March 21st / 22nd	17U Boys @ Niverville CRRC	14 Teams
March 22nd / 23rd	17U Girls @ Niverville CRRC & High School	14 Teams
March 28th / 29th	16U Boys @ Sport Manitoba	14 Teams
March 29th / 30th	15U Boys @ University of Winnipeg	11 Teams

2025 Club Provincial Championships

The Volleyball Manitoba 2025 Club Provincial Championships were held over three weekends in April & May with events being held in Winnipeg, Niverville, Brandon, & Steinbach (and surrounding area). In total, 12 different championships were organized involving 272 teams.

Team Check-In procedure continued to be enforced at our Provincial Championships to help ensure that only eligible coaches and players were in attendance. This is an important step in enforcing our Coach Screening and Certification policies.

Our continued growth is putting a strain on our event hosting with almost all events now requiring multiple venues, and our largest events requiring upwards of 4 venues to accommodate all of the teams. The 272 teams that participated in Provincials this season were the most ever, and if trends hold, we expect that we may see over 300 teams in 2025/26.

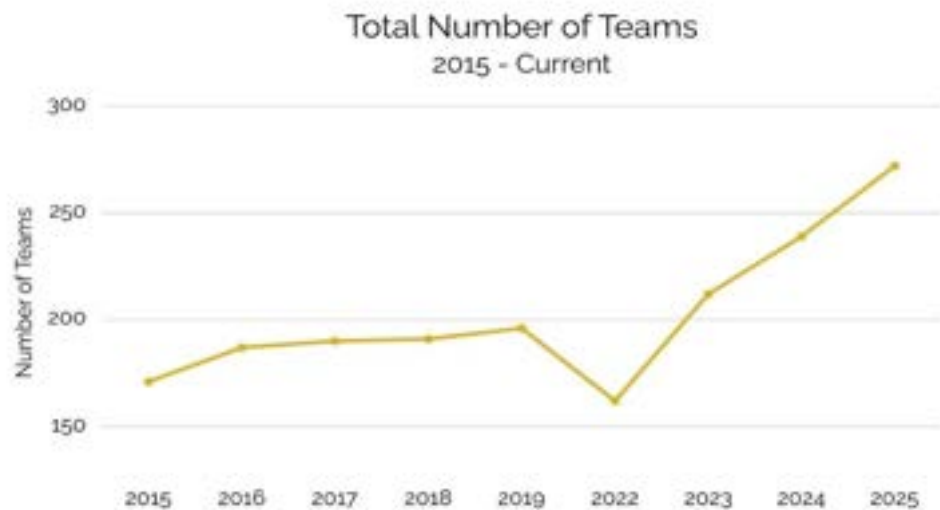

Figure 1: Total number of teams participating in Provincial Championships (2015 – 2025)

The number of teams steadily increased from 2015 – 2019, followed by a sharp dip in 2022, due to COVID-19. Growth resumed strongly from 2023 onward, reaching the highest level in 2025. This trend reflects a temporary disruption and a significant recovery.

A breakdown of Figure 1, including age class and gender, can be found in [Appendix A](#).

2025 Volleyball Canada National Championships

Volleyball Canada wrapped up the 2024 Nationals in May, breaking a record-breaking year as they saw an increase of attendance this year to 1,668 teams, resulting in the largest turnout in Nationals history with 132 more teams than in 2024. These events were spread over 5 weekends in 4 cities, including Ottawa, Fredericton, Winnipeg and Edmonton.

Volleyball Manitoba would like to congratulate all the Manitoba teams who competed in this year's 2024 Volleyball Canada Championships that were held this past May, scheduled as follows:

May 2nd – 4th	14U Girls & Boys in Ottawa, ON 14U Girls & Boys in Fredericton, NB
May 9th – 11th	14U Girls & Boys in Winnipeg, MB 15U Boys in Edmonton, AB
May 15th – 17th	15U Girls & 17U Boys in Edmonton, AB
May 19th – 21st	16U Girls & 17U Girls in Edmonton, AB
May 23rd – 25th	16U Boys & 18U Girls & Boys in Edmonton, AB

In total, 199 teams from Manitoba competed in this year's championships. As a province, Manitoba continues to send the fourth most teams to national championships events, behind AB, ON & BC and ranks among the highest in teams attending in relation to number of teams participating in their respective provincial championships.

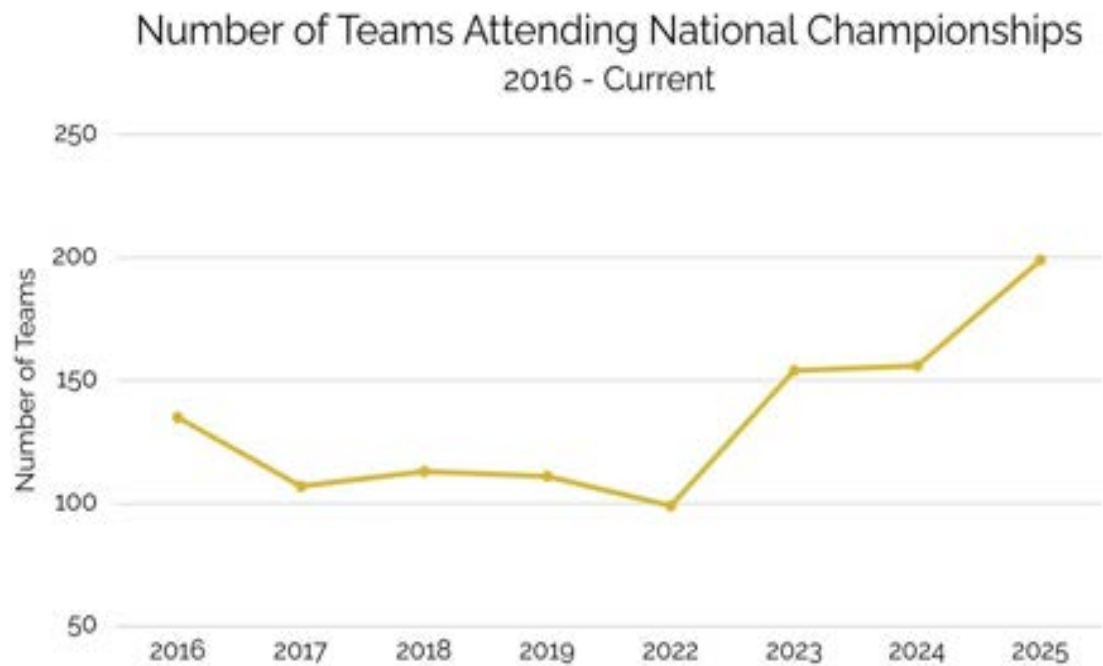

Figure 2: Total number of teams participating in National Champions (2016 – 2025)

After a decline from 2016 to 2022, participation in national championships rose sharply beginning in 2023. The number of teams attending reached 200 in 2025, marking the highest attendance.

A breakdown of Figure 2, including age class and gender, can be found in [Appendix C](#).

Manitoba had several medal winning teams and all-stars from all the championship events, including, 14U Girls Junior Bisons Gold, silver medalists (Winnipeg), 14U Boys WinMan Bounce, national champion (Winnipeg), 15U Boys WinMan Wild, national champions (Edmonton) and 18U Boys WinMan Clutch silver medalists (Edmonton).

2026 Volleyball Canada National Championship Dates & Location

Volleyball Canada announced earlier this summer the dates and locations for the 2026 Youth National Championships. In response to feedback about the timing of the 18U Nationals event, typically held as the final event of the season, Volleyball Canada has moved the 18U competition to an earlier date.

2026 Nationals Dates & Locations

May 1st – 3rd	14U Girls in Ottawa, ON 14U Girls & Boys in Moncton, NB
May 8th – 10th	14U Girls & Boys in Edmonton, AB
May 15th – 17th	14U Boys & 15U Girls in Mississauga, ON 17U Girls in Calgary, AB
May 21st – 23rd	17U Boys & 18U Girls & Boys in Calgary, AB
May 25th – 27th	15U Girls in Calgary, AB
May 29th – 31st	16U Girls & Boys in Calgary, AB

2025 14U Volleyball Canada National Championship Hosting

From May 7–11, Volleyball Manitoba proudly hosted the 2025 14U Volleyball Canada National Championships at the RBC Convention Centre. The event included setup, competition, and teardown, with matches running from May 9–11. Thanks to the dedication of nearly 100 volunteers, both setup and teardown were completed in less than one day each, helping the event run smoothly from start to finish.

This championship marked the largest national volleyball event ever held in Winnipeg, welcoming 144 teams and over 1,800 athletes from across the country. All matches were played on 19 sport courts in a single venue, creating a centralized and accessible tournament environment for athletes, coaches, and spectators. The event demonstrated significant growth from previous years, with 128 teams in 2023 across two venues and just 88 teams in 2016.

Our goals of increasing participation, streamlining operations, and showcasing high-level youth volleyball were all successfully achieved. Thousands of spectators, families, and volunteers filled the venue with energy and enthusiasm, and community feedback was overwhelmingly positive. The championship offered young athletes a memorable national-level experience while highlighting the strength and unity of the volleyball community. A heartfelt thank you goes out to all participants, supporters, and especially the volunteers who made this incredible event possible.

TEAM MANITOBA PROGRAMS 2025

Our Team Manitoba program was once again a success, offering roughly 200 athletes a high-performance development opportunity. The Gold (Canada Games), Black, and White framework supports athlete growth across a wide range of ages, providing a positive and competitive environment where athletes can progress at their own pace, whether competing within Manitoba or on the national stage at the Canada Cup.

2025 Team Manitoba Black & White Programs

The Team Manitoba White program experienced a boost in male participation this year, with the boys' program fielding 26 athletes and the girls program fielding 36 athletes. Serving as the first step in the provincial team pathway, Team Manitoba White focuses on developing athletes' understanding of the game while encouraging them to explore different positions and build the skills needed to perform in each. The program emphasizes growth, versatility, and a positive learning environment, helping athletes lay a strong foundation for future success at higher levels of competition.

Tryouts took place in June, and athletes trained throughout the month of July. The season concluded with the teams competing at the 2025 Manitoba Cup, held July 25–26 in Winnipeg, where athletes showcased the progress they had made over the summer and gained valuable competitive experience.

The Team Manitoba Black program consisted of the province's top 15U–17U athletes. Tryouts for the program were held in June, with just over 55 athletes per gender selected. This year marked a special milestone, as the program sent one team from each gender to represent Manitoba at the 2025 Canada Cup, some of the youngest athletes Manitoba has sent to the national stage in many years. The experience provided a valuable opportunity for these developing athletes to compete against some of the best in the country, gaining exposure to a higher level of play while representing their province with pride.

Throughout the summer, all athletes trained together in a high-performance environment, focusing on skill development, and game concepts. At the end of July, the program divided into final team rosters to prepare for both Manitoba Cup and Canada Cup.

This year we also hosted a Team Manitoba Boys Black program in Brandon where 15U–16U athletes had the opportunity to train throughout July in Brandon and then come into Winnipeg to compete at Manitoba Cup.

2025 Canada Cup

Canada Cup was held in St. Catharines, Ontario at Brock University from July 22–27, 2025. The tournament featured two divisions: the Red Division, primarily for Canada Summer Games (CSG) teams, and the White Division, which was open to any provincial teams. Competition ran from Wednesday to Sunday, with each team playing one to two best-of-five matches daily. Manitoba was well-represented, sending a total of four teams—our Men's and Women's CSG teams, along with our Team Manitoba Black Travel program. The Boys and Girls Black Teams competed in the White Division and were made up of athletes aged 15U–17U, with a focus on selecting younger participants, marking some of the youngest teams we've fielded since the pandemic. Despite their youth, both teams demonstrated growth, resilience, and a competitive spirit, leaving a strong impression on the national stage. The Girls Black team finished 11th overall, while the Boys Black team secured an impressive 6th-place finish. In total, 60 participants (48 athletes and 12 coaches) represented Manitoba. All teams stayed on campus at Brock University, with matches held at Canada Games Park and Brock University Gym, both within walking distance of the residence. Final results also included a 1st-place finish for the Team Manitoba Men's CSG and a 6th-place finish for the Women's CSG team.

Awards received at Canada Cup included:

All Stars: **Jackson Vandersteen** (Men's Canada Summer Games)
Gavin Ulrich (Men's Canada Summer Games)

MVP: **Kai Toney** (Men's Canada Summer Games)

Maple Award Winners: **Liam Noonan** (Men's Canada Summer Games)
Jersey Hansen-Young (Women's Canada Summer Games)
Nolin Gallagher (Boys Black)
Rachel Dewey (Girls Black)

2025 Men's Canada Games Team at Canada Cup

2025 Canada Games

The Canada Summer Games are the largest multi-sport event for youth in Canada, drawing more than 4,800 athletes, coaches and support staff from all 13 provinces and territories. The games play an important role in athlete development and celebrate sport, community and culture. The 2025 Games were hosted in St. John's, Newfoundland & Labrador. Volleyball events were split over 2 weeks, with the beach volleyball competition being held during Week 1 of the games, from August 8 – 17, 2025 and Indoor Volleyball taking place during Week 2, from August 17 – 25, 2025.

Beach

Manitoba sent one men's and one women's team to represent our province. All games were held at Paradise Park just outside of St. John's. Unfortunately, two days of the competition were postponed due to wildfires emerging in very close proximity to the venue. Both Manitoba teams played their

Canada Games beach athletes and coaches

first matches on Monday, then Tuesday and Wednesday matches were postponed. Once the wildfires were under control Wednesday evening, they allowed the competition to continue without any spectators. Spectators were then allowed back into the venue late during the day on Friday. Despite the issues around the venue our teams still managed to make the most of the week. The Men's team placed 4th and the Women's team placed 6th.

Indoor

Team Manitoba's indoor volleyball rosters were finalized during selection camps held in the last week of May. These intensive three-day camps resulted in the selection of 15 athletes for the men's roster and 16 for the women's roster. Each team included 12 official roster players, with 3 alternates on the men's side and 4 on the women's. Following team selection, both groups underwent an extensive training period throughout June, July, and August, which included on-court sessions five days a week and two weekly strength and conditioning sessions. All training was hosted at Sport Manitoba and supported by additional PEP services provided through Sport Manitoba. To help offset athlete fees, both teams also organized a fundraising camp in the last week of July. Notably, three athletes from the men's roster—Matthew Brown, Ethan Baraniuk, and Simon Oberbuchner—were also selected to the U19 National Team and did not train with the CSG team during the summer. At the Games, the women's team finished 4th overall, while the men's team earned an impressive 2nd-place finish.

BEACH VOLLEYBALL 2025

2025 High School Beach Volleyball Championships

The 2025 High School Beach Volleyball Championships maintained several changes from the past few events, including hosting over 4 days and offering both 2s and 3s divisions. The Championships were held May 28th to 31st at Sargent Park Beach Volleyball Centre and Maple Grove Rugby Park, with the Junior Varsity Divisions taking place on May 28th and 29th and the Varsity Divisions taking place on May 30th and 31st. We continue to see growth at this event, accommodating 412 teams (up from 320 in 2024) from approximately 60 schools, making this our largest High School Beach Championships yet.

Thank you to all the athletes, teachers, parents, referees and staff onsite that contributed to the success of the event! It was a great way to start the 2025 beach volleyball season!

2025 Beach Volleyball Leagues

Volleyball Manitoba's Annual Beach Volleyball leagues began the week of June 2nd. We offer eight-week Youth Leagues and ten-week Adult Leagues at both Sargent Park Beach Volleyball Centre and Maple Grove Rugby Park, in several different formats.

The following breakdown of team participation shows significant growth since 2022 (our first season post-covid) at both our Sargent Park and Maple Grove beach volleyball venues. In yet another broken record for teams numbers, we had a total of 279 beach teams participating this season:

Summer Series Premier Open Tournament Series

Thanks to the efforts of Garth Pischke, Co-Chair of the Volleyball Manitoba Beach Competitions Committee, this past summer saw the continued development of our open tournament series. The series included four tournaments over the summer, with prize money determined by the number of teams participating in each of the men's and women's divisions. This year, 100 teams registered over the 4 events (66 male, 34 female), with a total prize purse for the series being \$14,555. We look forward to continuing to develop sponsorship opportunities for these events as we look ahead to 2026.

Premier 1 – June 21 – Sargent Park

Premier 2 – July 5 – Maple Grove

Premier 3 – July 26 – Sargent Park

Grand Beach Open – August 2nd & 3rd – Grand Beach Provincial Park

Results of the Summer Series Premiers can be found in [Appendix I](#).

2025 Youth Beach Volleyball Provincial Championships

Our Youth Beach Provincials were scheduled for Friday, August 8th & Saturday, August 9th at Sargent Park Beach Volleyball Centre. Due to poor air quality on Friday evening the event was rescheduled to Saturday only. We had 40 teams participate across 5 divisions, up from 23 across 4 the year before. The increase in teams is very encouraging and we hope that we can continue to build on these participation numbers for next season.

We would like to thank all the teams who participated in the 2025 Championships, and we hope to see everyone back next year as we continue to rebuild and grow this event!

COMMUNITY YOUTH VOLLEYBALL 2025

Community Youth Volleyball Program

The Community Youth Volleyball (CYV) program is a grassroots program designed to make volleyball programming accessible in communities across Manitoba. Designed to be adaptable, no two CYV programs look exactly the same; we work closely with community contacts, coaches, and families to create programs that fit their unique needs.

CYV is perfect for athletes who want to enjoy the game in a supportive environment without the full commitment of a club season. It's a great option for multi-sport athletes, students who enjoy playing in gym class, or anyone looking for extra touches to build their skills. The program focuses on skill development, emphasizing game-play scenarios and building an encouraging environment.

With customized lesson plans, accessible resources, and ongoing support from the VM office, coaches create age-appropriate sessions that meet athletes where they're at and deliver a positive volleyball experience.

Programs are offered in four age groups (10U, 12U, 14U, and 16U) with both co-ed and gendered options available. To keep participation simple and accessible, Volleyball Manitoba provides affordable pricing for athletes, while coaches receive lesson plans, equipment, and background screening at no cost.

In the past year, we've offered three seasons of CYV: Fall 2024 programs, Winter 2025 programs, and Summer 2025 programs. A key highlight was the Volleyblast tournament in April 2025, where all winter programs were invited to participate in a jamboree-style tournament at Dakota Fieldhouse to use the skills they've developed in a tournament environment. We received overwhelmingly positive feedback about this event.

This past year, Community Youth Volleyball saw a total of 198 participants in the fall, 341 in winter and 77 in summer. Programs numbers are as follows:

Fall	14 programs 6 communities 21 coaches	Winter 2025	24 programs 10 communities 49 coaches	Summer 2025	6 programs 8 coaches
-------------	--	--------------------	---	--------------------	-------------------------

Looking ahead, we are excited to be introducing CYV to new communities across the province this fall and beyond.

For a full list of communities and age groups from 2024 can be found in [Appendix K](#).

ADDITIONAL PROGRAMS 2025

Adult Co-Ed 4s Tournaments

This past season, Volleyball Manitoba hosted 3 Adult Co-Ed 4s Tournaments. After evaluating the program, it was determined that these events will not continue moving forward, as we are choosing to focus our resources on initiatives that more closely align with our organizational mission and long-term strategic goals.

The tournaments that were completed in the 2024/25 season are as follows:

Fall Classic – October 12, 2024, at Glenwood School

Champions: Thunderbirds*

Runner Up: Blockbusters

Holiday Special – December 14, 2024, at Victor Wyatt School

Champions: Tabak Attack

Runner-Up: Gets The People Going

Winter Classic – February 15, 2025, at Victor Wyatt School

Champions: Gets The People Going

Runner-Up: Bangarang

Grade 8 Championship / Grade 9 Open

At the end of each school season, Volleyball Manitoba organizes the Grade 8 Championship and Grade 9 Open tournaments.

Grade 8 Division Champions are invited to attend the Grade 8 event, while the Grade 9 event remains an Open competition for any Grade 9 teams interested in attending.

In 2024, the Boys Grade 8 Championship was hosted at Sport Manitoba, and the **Girls Grade 8 Championship** was hosted in Steinbach, both on November 29th & 30th.

12 Boys teams and 16 Girls teams from across the province competed for the title of Grade 8 Provincial Champions.

On the Girls side, Ness emerged victorious, defeating Holy Ghost in the Final. Charleswood beat Lansdowne in the third-place game.

On the Boys side, Ecole Christine Lesperance defeated Holy Ghost in the championships match, and Meadows West defeated Charleswood for bronze.

The 2024 Grade 9 Open was hosted on November 22nd & 23rd at Dakota Community Centre.

18 Girls Teams and 8 Boys Teams participated, with Sturgeon Heights defeating Selkirk Jr. High in the Girls Final to claim the championship, and SRSS topping MBCI in the Boys Final. Sisler captured Bronze for Girls over SRSS, while Springfield overcame Sargent Park for Boys Bronze.

SUPER-SPIKE 2025

This year marked our 22nd year of Super-Spike, with yet another action-packed weekend! Super-Spike, presented by Corona, was excited to announce that we hit our cap number of volleyball teams at 377 this year before the registration deadline, comprising of just under 3,000 participants. This is a 24 team increase from the previous year.

Super-Spike took place at Maple Grove Rugby Park on July 18th and 19th combining Western Canada's largest outdoor volleyball tournament with a weekend long concert series, all set in a festival atmosphere. This year focused again on dance and pop music, with Canadian stars Preston Pablo and Virginia to Vegas headlining the Birchwood Automotive main stage at the event.

Super-Spike, in its twenty-second year, acts as a significant fundraiser with over \$1.3 million raised to date for local not-for-profits. Funds raised from this year's event supports Volleyball Manitoba as its' main beneficiary and for the first time, the Winnipeg Humane Society.

TECHNICAL LEADERSHIP

Coaching Development

The demand for coach education workshops saw a slight decrease compared to 2024. With changes to the 2025 National Coach Requirements, fewer coaches pursued Advanced Development status. Between December 2024 and May 2025, Volleyball Manitoba delivered four Development Coach workshops, with 48 coaches completing the online sessions.

Coaching club volleyball requires a significant commitment, and Volleyball Manitoba greatly appreciates the dedication of our clubs and coaches in meeting all requirements, including NCCP training, Respect in Sport, and screening protocols. We continue to rank among the top provinces in Canada for coach compliance.

Over the past year, Sport Manitoba Coaching also offered numerous online NCCP courses, which many of our volleyball coaches attended both virtually and in person.

Coaching development will remain a key priority within Volleyball Manitoba, as we develop plans and initiatives to further support and advance coaching in the province.

AWARDS & RECOGNITION

2025 - 2026 Graduating All-Star Banquet & Matches

Volleyball Manitoba is proud to continue hosting the High School Graduating All-Star Banquet, an event that recognizes exceptional graduating athletes in the A-AA-AAA and AAAA Divisions. High School coaches are encouraged to nominate athletes they believe exemplify excellence in their respective programs. These nominations are reviewed and voted on by a selectin committee made up of coaches and Volleyball Manitoba representatives, who will choose 24 Graduating All-Stars for each division.

Selected athletes, families and school representatives will be invited to join us for a celebratory breakfast and awards presentation at the RBC Convention Centre on Saturday, December 6th. The event will also include the announcement of other additional award categories. Following the banquet, we will have 4 Grad All Star matches played at the University of Winnipeg.

A full list of 2024 – 2025 Graduating All Stars and Honourable Mentions can be found in [Appendix L](#).

Annual Awards & Hall of Fame Banquet

The 2025 Volleyball Manitoba Awards & Hall of Fame Banquet was held on Sunday, June 9th, for the first time at the RBC Convention Centre. This annual celebration honours the achievements of exceptional athletes, coaches, officials, and volunteers within our volleyball community. This year's event welcomed over 350 attendees.

The banquet serves as an opportunity to recognize Provincial Champions, national accomplishments, and individual award recipients from the past season. In addition to celebrating recent success, the event also pays tribute to individuals and teams who have made a lasting impact on the sport through Volleyball Manitoba's Hall of Fame inductions. This year's inductees included:

Azad Hosein – *Builder*

John Blacher – *Builder*

Lord Selkirk Royals 2004 – 2007 Varsity Girls – *Team*

ANNUAL SCHOLARSHIPS

Each year Volleyball Manitoba supports the organizers and committees of annual scholarships with promotions and presentations of each year's recipients. These include the Stefan Savoie, Nikki Redekop and Dr Dale Iwanoczko memorial scholarships.

Stefan Savoie Memorial Scholarship

Stefan Savoie inspired passion in the game of Volleyball in both indoor and beach and were staples in his life. He was the energy on the court, he was the player who changed momentum, he was the athlete that every coach knew was needed to inspire passion on the court. Stefan excelled in both disciplines of the sport he loved. This was evident through his experiences on his high school team, his club teams, his provincial teams and his university team. The pinnacle of his career was being with Team Canada and representing Manitoba at the Canada Games in Beach Volleyball. His competitive nature, compassion for his teammates and thirst to excel was never compromised.

Awarded annually at the High School Graduating All-Star Banquet in December, this scholarship recognizes athletes who represent that passion for the sport of volleyball, just as Stefan did in his life. This year's recipients was:

Benjamin Fillion, Glenboro School

Benjamin Fillion receiving the Stefan Savoie scholarship.

Nikki Redekop Memorial Scholarship

During her lifetime, Nikki Redekop was an inspiration to all who knew her because of her strength and determination both on and off the volleyball court. This scholarship is in memory of Nikki and her vibrant spirit that was epitomized in her life. Nikki's love for volleyball was evident very early – she attended Glenlawn Collegiate excelling on the varsity girls' volleyball team and was also a part of the Provincial Team Program. She went on to play on the University of Winnipeg Wesmen Volleyball Team for two years and on a Senior Women's Team prior to her passing in 1994.

These scholarships were presented as part of Volleyball Manitoba's Annual Awards Banquet held in June. The recipients of the 2024 Nikki Redekop Memorial Scholarships recognizing volleyball, leadership and scholastic achievements were:

Julia Martens, Westgate Mennonite Collegiate

Gavin Ulrich, River East Collegiate

Ted, Ted and Marilyn Redekop with scholarship recipients, Julia Martens and Gavin Ulrich

Dr. Dale Iwanoczko Memorial Volleyball Scholarships

Dale began his volleyball career playing for Lord Selkirk Regional High School and the University of Manitoba Bisons where he was named a five-time All-Canadian, was selected as the CIS/CIAU Most Valuable Player in 1990 and led the Bisons to the national championship title in 1991. He also played on Manitoba's Provincial and Canada Games Teams (85 & 87). He obtained his medical degree from the University of Manitoba, and sadly passed away at the age of 30, after succumbing to Hodgkin's disease, a battle he had fought valiantly for 14 months. Several of Dale's close friends established this scholarship through the Manitoba High Schools Athletic Association and Volleyball Manitoba his honour and memory.

The Manitoba High Schools Athletic Association and Volleyball Manitoba work in co-operation to support the academic and athletic endeavors of Manitoba's high school student athletes. The following four student athletes were awarded this year's scholarships in February 2023 in recognition of their volleyball and academic achievements and community involvement:

Matthew Brown, River East Collegiate

Anna Filippin-Buller, Collège Jeanna-Sauvé

Owen Giesbrecht, Lord Selkirk Regional Comprehensive Secondary School

Jersey Hansen-Young, Vincent Massey High School

Julia Martens, Westgate Mennonite Collegiate

FINANCIAL REPORT & STATEMENTS

Volleyball Manitoba (VM) Finance Committee Report – August 2025

The financial results and position for the fiscal year ending March 31, 2025, are presented in the audited financial statements included in this Annual Report.

As reflected in the financial statements and summarized below, members will see how the organization's programming and finances were largely positive, with continued progress in strengthening our reserve fund.

1. Financial Position

As reflected in the **Statement of Financial Position**, the organization recorded an operating deficiency of **\$15,176** during fiscal 2024–25. As a result, unrestricted net assets decreased from **\$337,159** to **\$321,986**.

2. Fiscal 2024–25 Operating Results

Some highlights from the **Statement of Operations** include:

- Operating revenues of **\$1,817,015** and expenses of **\$1,827,548**, resulting in a net loss of **\$15,173**.
- The loss was primarily due to increased Safe Sport investigations and a significant bill from the **Office of the Sport Integrity Commissioner (OSIC)**.
- Revenues from programs such as **Team Manitoba programs, Super-Spike, and merchandise sales** helped offset the unexpected **\$107,000 OSIC expense**.

3. Looking Ahead to Fiscal 2025–26

In winter 2025, VM staff prepared—and the Board of Directors reviewed and approved—the **2025–26 Operating Budget**.

The budget accounts for several upcoming initiatives and anticipated costs. Overall, projected revenues are **\$1,957,284** and expenses are **\$1,957,086**, for a modest net income of **\$198**.

Key considerations include:

- Increased expenses tied to **Canada Games, Team MB programming, hosting the U14 National Championships, Provincial Championships, and Awards Banquets**.
- Hosting Nationals is projected to bring slightly higher income due to **one-time funding from Volleyball Canada** to offset facility rental costs.
- Transitioning to a new Safe Sport investigator under a subscription model with a more collaborative approach will help control costs, avoiding the unanticipated financial impact experienced in 2024–25.

5. Appreciation

Volleyball Manitoba staff continue to manage the association's operations responsibly and within budgeted parameters, balancing daily business with new opportunities and unexpected challenges. Their efforts, combined with the support of Sport Manitoba's finance team, which provides accounting and bookkeeping services, ensure the Board receives timely and accurate financial information.

6. Recommendations to Membership (2025 AGM)

It is recommended that:

- The VM 2024–25 Financial Statements be accepted as presented in the 2025 Annual Report.
- Gislason Targownik Peters be appointed auditors for fiscal 2025–26.

INDEPENDENT AUDITOR'S REPORT

To the members of **Manitoba Volleyball Association Inc.**,

Opinion

We have audited the financial statements of Manitoba Volleyball Association Inc., which comprise the statement of financial position as at March 31, 2025, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Manitoba Volleyball Association Inc. as at March 31, 2025, and its financial performance and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cause significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosure are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to the Financial Statements

For the year ended March 31, 2025

1. PURPOSE OF THE ORGANIZATION

Operating as Volleyball Manitoba, the Manitoba Volleyball Association Inc. is a non-profit organization and is exempt from income tax in accordance with Section 149 of the Canadian Income Tax Act. The purpose of the organization is to provide quality services and programs that will assist in the promotion, development, and growth of volleyball in Manitoba.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The financial statements of the organization have been prepared in accordance with Canadian accounting standards for not-for-profit organizations.

Financial instruments

Financial assets and liabilities are initially measured at fair value. Subsequent measurement of financial assets and liabilities are at amortized cost unless otherwise noted. Financial assets and liabilities measured at amortized cost consist of cash, accounts receivable, accounts payable and deferred revenue.

It is management's opinion that the organization is not exposed to significant credit, currency, interest rate, liquidity or market risks arising from these financial instruments, unless otherwise noted.

Capital assets

Capital assets are recorded at cost and are being amortized on the straight line basis at the following rates based on estimated useful life, except in the year of acquisition, when one-half of the rate is used:

Computer hardware	2 years
Equipment	5 years

The organization reviews capital assets for impairment whenever events or changes in circumstances indicate that the carrying value may not be recoverable. Contributed capital assets are recorded at fair value at the date of contribution.

Contributed services and materials

A substantial number of volunteers contribute a significant amount of their time each year. Due to the difficulty of determining the fair market value, contributed services are not recognized in the financial statements.

MANITOBA VOLLEYBALL ASSOCIATION INC.

Notes to the Financial Statements

For the year ended March 31, 2025

Revenue recognition

The organization follows the deferral method of accounting for contributions. Unrestricted donations are recognized as revenue in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Externally restricted contributions are recognized as revenue in the year in which the related expenses are recognized.

The organization accounts for other revenues using the accrual basis of accounting.

Use of estimates

The preparation of the financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as at the date of the financial statements, as well as reported amounts of revenues and expenses during the reporting period. These estimates are subject to measurement uncertainty, and the effect on the financial statements of changes in such estimates in future periods could be significant.

3. BANK INDEBTEDNESS

The company has a line of credit available to a maximum of \$25,000, repayable on demand with interest at the rate of prime plus 3%. Bank indebtedness is secured by general security agreement providing a floating charge on all assets of the organization.

4. CAPITAL ASSETS

	Cost	Accumulated Amortization	Net 2025	Net 2024
Computer hardware	\$ 22,766	\$ 19,847	\$ 2,919	\$ 3,743
Equipment	6,872	1,374	5,498	6,872
	\$ 29,638	\$ 21,221	\$ 8,417	\$ 10,615

5. DEFERRED REVENUE

Deferred revenue consist of fees and grants received in advance of the period in which the related expenses will be incurred. The change in the balance of deferred revenues for the period is as follows:

	2025	2024
Balance, beginning of the year	\$ 175,361	\$ 156,036
Add: contributions received	294,227	175,361
Less: amount recognized as revenue	(175,361)	(156,036)
Balance, end of year	\$ 294,227	\$ 175,361

6. ECONOMIC DEPENDENCE

The organization is economically dependent on the Province of Manitoba which provides funding through Sport Manitoba.
